Respected Sir/Madam,

I am writing on behalf of Dattakala Group of Institutions, where I serve as the Principal. Our institution is committed to promoting research and innovation in various fields to contribute towards the development of society. In this regard, I am writing to request sponsorship for a research project being undertaken by one of our faculty members, Mr. Sachin Sukhadeo Bere (Assistant Professor).

Mr. Bere is a highly accomplished researcher and has been working in the field of Engineering for the past 10 years. He has recently proposed a research project on Agriculture Automation using Machine Learning.

We believe that this research project has the potential to make a significant impact. However, to carry out this project successfully, we require financial support. After careful consideration, we have identified Prof. Ramdas Zol Foundation as a potential sponsor for this project.

We would be grateful if Prof. Ramdas Zol Foundation could provide sponsorship of amount (Rs.5,60,000/-) towards this research project. The funds will be used to cover the expenses of conducting experiments, data collection, and analysis. In return, we can offer your company visibility and recognition as a sponsor in all our research publications and presentations.

We are confident that this collaboration will be mutually beneficial and contribute towards the advancement of best practices. We would be happy to provide more details about the project and discuss the terms of sponsorship in further detail. Please feel free to contact me at vgarajpure.foe@dattakala.edu.in for any further information.

Thank you for considering our request. We look forward to your positive response.
