Throwball is a non-contact ball sport played across a net between two teams consisting of nine players each. Around 3 to 5 substitute players are allowed for each team, which can make a maximum of 3 substitutions during a set. Two time-outs of 30 seconds each is allowed to a team during a set. The basic idea of the game is to defeat the opponents by throwing the ball into the opposition half or their part of the court and the team which scores 25 points first, wins a set and there are about 3 sets in a match.

The closing ceremony of the Inter Department Throwball Competition was a moment of pride and joy for all the participants. The winners were awarded Trophy and certificates, and their achievements were acknowledged by the Principal.
