POLICY FOR FINANCIAL SUPPORT TO TEACHING STAFFS TO ATTEND FDPs, RESEARCH WORKS, CONFERENCES, WORKSHOPS, SEMINARS, SYMPOSIA AND MEMBERSHIP FEES

Dattakala Group Of Institutions believes that research and quality improvement in the teaching and learning process contribute to classroom excellence. Significant changes in the structure of education have occurred both nationally and worldwide, making learning more accessible. As a result of these changes, teachers must be more adaptable, flexible, and diversified. Internal faculty members can upgrade their academic knowledge through the platforms provided by CPCs well-designed Policy related to financial support.

Policy Statement

This programme intends to assist faculty members in advancing their academic careers. The goal is achieved by offering financial assistance to educators and encouraging them to attend seminars, symposia, conferences, workshops, and training workshops held in India and abroad. This would aid in sharing knowledge, fostering academic growth, increasing collaborations and networking. This also helps to create a conducive environment for academic study. The outcomes of such interactions and interventions would improve teachers' professional and personal effectiveness, resulting in institutional, individual, and student academic achievements.

POLICY FOR FINANCIAL SUPPORT TO TEACHING STAFFS TO ATTEND FDPs, RESEARCH WORKS, CONFERENCES, WORKSHOPS, SEMINARS, SYMPOSIA AND MEMBERSHIP FEES

Dattakala Group of Institution, Swami Chincholi believes that research and quality improvement in the teaching and learning process contributes to classroom excellence. Significant changes in the structure of education have occurred both nationally and worldwide, making learning more accessible. As a result of these changes, teachers must be more adaptable, flexible. Internal faculty members can upgrade their academic knowledge through the platforms provided by DGOI's well-designed Policy related to financial support.

Policy Statement

This programme intends to assist faculty members in advancing their academic careers. The goal is achieved by offering financial assistance to educators and encouraging them to attend seminars, symposia, conferences, workshops, and training workshops held in India and abroad. This would aid in sharing knowledge, fostering academic growth, increasing collaborations and networking. This also helps to create a conducive environment for academic study. The outcomes of such interactions and interventions would improve teachers' professional and personal effectiveness, resulting in institutional, individual, and student academic achievements.

Objectives

i. Provide financial assistance to all teaching faculty for the following:

1. Attending or participating in seminars, symposia, conference workshops, refresher courses, course works of PhD programmes, book publications, and training workshops in India and abroad.
2. International collaborations and exchange Programmes including international internships.
3. Encouraging faculty members to apply for travel grant funds.
4. Programmes held in India and abroad for all teaching faculty members.
5. Providing financial assistance to faculty members in the form of reimbursement of registration fee and DA/TA to encourage their participation in various conferences/workshops for professional development.
6. Professional Development Programs, Capacity Building, Faculty Development Programmes (FDPs), Management Development Programmes (MDPs)

iii. Arrange academic exchange programmes for faculty members with reputable academic institutions whenever it is deemed essential.

iv. To promote and motivate faculty members to avail funding assistance for research, outreach/extension activities, or nationally recognized UGC programmes from various funding organizations.
