The institute is committed to adopt environment-friendly policies with regard to tree plantation, waste management, use of renewable energy sources and water harvesting.

The different types of waste generated in the institute are collected and dispensed to an external waste recycling. See photo of dust bin located at different locations given in photo.

E-waste management Non-working computers, monitors, printers are being repaired. Efforts are taken to recycle the collected e-waste to minimize e-scrap. See photo shows collection of E waste at computer department to recycle. Also we have made MOU with Landage Infotech Parawadi regarding E-Waste management.

Conservation of paper we shifted to computerization of Teacher Assessment Record to reduce use of paper work in order to conserve paper. Waste papers are given to paper scrapers for recycling. See the screenshot of ERP Software shown in the photo.

In our boys and girls hostel, nearly 600 students are living. In campus Food facility available in Mess and Canteen. In the mess and canteen leftover food is fed to the polity form.
